COVID-19 Update

As mentioned by Mayor De Blasio

16 more COVID-19 testing sites will open on June 1!

We now have 20,000 tests available daily, and more sites are opening — by the end

of June we'll have 180 test sites citywide. It's the key to fighting this virus. Find a testing site near you!

COVID-19 TESTING IS AVAILABLE

Anyone with symptoms
Anyone who's been close to someone who tested positive
And anyone who works in nursing homes, shelters or adult care facilities can now get tested.

Go to nyc.gov/covidtest to learn more.
